

EBSCO Solar 2018 Submission Guidelines

EBSCO Solar is a grant program that funds solar installations at libraries. This year, we will provide three \$100,000 grants to fund a library solar project to offset electricity costs.

Important Dates:

- January 23, 2018: Submissions for 2018 grants open
- January 30-March 16, 2018: Questions can be submitted to ebscosolar@ebSCO.com
- April 30, 2018: Submissions close
- June 15, 2018: Winners notified
- June 22, 2018: Winners announced

Guidelines:

- Optimal candidate will have newer roofs that have a lifespan consistent with a new solar system or space for a ground installation.
- Library should be able to support an array large enough to offset a significant portion of the library's electricity costs
- Library must be a current EBSCO customer
- International libraries invited to apply

Optimal candidates:

- Libraries looking to introduce alternative energy programs to their community
- Libraries with an existing sustainability program and plans to involve patrons/students and the community
