

## **EBSCO Solar 2019 Submission Guidelines**

EBSCO Solar is a grant program that funds solar installations at libraries. This year, we are offering \$200,000 in grants available for libraries looking to go green.

### **Important Dates:**

- January 25, 2019: Submissions for 2019 grants open
- January 25 -February 28, 2019: Questions can be submitted to [ebscosolar@ebSCO.com](mailto:ebscosolar@ebSCO.com)
- April 30, 2019: Submissions close
- June 14, 2019: Winners notified
- June 21, 2019: Winners announced

### **Guidelines:**

- Optimal candidate will have newer roofs that have a lifespan consistent with a new solar system or space for a ground installation.
- Library should be able to support an array large enough to offset a significant portion of the library's electricity costs
- Library must be a current EBSCO customer
- International libraries invited to apply

### **Optimal candidates:**

- Libraries looking to introduce alternative energy programs to their community
- Libraries with an existing sustainability program and plans to involve patrons/students and the community
